Employment Ontario provides the foundation for the delivery of our core services including employment preparation, job search, referral and resource services. Job search workshops, employment counselling, informational and resource support, and employer engagement together with job development continue to be our primary areas of service. As part of our Employment Ontario program, we offer a tailored employment support program for youth 15-29 years of age who are currently unemployed.

We have also developed sector-specific expertise through a series of bridge training programs in the following areas: Engineering, Finance, Human Resources, Information Technology, Sales and Marketing, Leadership and Supply Chain. In addition, we offer a unique program for newcomer entrepreneurs designed specifically to help those with entrepreneurial experience to successfully start a business here in Canada.

We also offer language training through our drop-in program, Talk English Café as well as more intensive workplace-focused communication and language training through Language for Workplace Connections. Our Speed Mentoring® program gives job seekers an arena for short, focused conversations with working professionals in their field.

ACCES Employment supports the success of women in the workplace through all of our programs. We recognize both the unique strengths that they offer and the barriers that they face to finding employment that reflects their education and experience. We have developed two programs that speak to the unique strengths of women to better support their future career pursuits in Canada. The START Customer Care program is designed to support immigrant women with pursuing careers in the customer care sector in Canada. Empowering Women is a one-week intensive program supporting newcomer women to be successful in their careers. Through customized workshops, coaching, and mentorship, Empowering Women provide newcomer women with the skills and confidence to become a leader in their sector.

With the insurgence of Syrian refugees to Canada in 2015, ACCES Employment responded quickly with tailored services to meet the unique needs of this group of job seekers. Our new program, Employment Connections for Newcomer Youth helps refugees between the ages of 16 and 29. We developed an entirely new program for Syrian newcomers with a background in trades called the Construction Trades Program in partnership with LiUNA Local 506, Ontario Masonry Training Centre, Refugee Career Jumpstart Program, Catholic Crosscultural Services, and the Adult Learning and Employment Centre.

In 2016, we launched our online services through our pre-arrival program, Canadian Employment Connections designed to support those who are approved for permanent residency in Canada. Job seekers access a range of workshops, events and resources entirely online with virtual support from a team in Canada.

We are constantly striving to improve our flexible and seamless services so that we can meet the needs of our participants. Staff is informed, highly skilled, creative, adaptable, and strongly committed to service excellence.
