

**Project Manager, Canadian Employment Connections (CEC)**

***Location: Toronto***

**ACCES Employment** is a leading non-profit organization that assists jobseekers from diverse backgrounds. We deliver a range of programs at locations across the GTA and we offer online services to job seekers across Canada and pre-arrival. Serving more than 32,000 jobseekers each year, ACCES delivers customized programs that focus on connecting our clients with leading employers or starting a business in Canada. With over 30 years of experience in the employment services sector, you will be joining a successful organization with an innovative and seasoned staff team. We are looking for skilled and career-oriented people who thrive in a flexible and innovative environment. ACCES offers an excellent benefits package, a RRSP matching program, and an Employee & Family Assistance Program.

Recently launched, ACCES Employment's **Canadian Employment Connections (CEC)** is an online program that provides sector-specific training and employment services to newcomers prior to their arrival in Canada.

This position is an exceptional career opportunity for someone with project development, leadership, business development, and marketing skills. Reporting to the VP, Services Program Development, this position's primary responsibilities include project development, leadership and supervision to staff, along with the overall administration of the project outcomes. The project will deliver sector-specific bridging programs to overseas clients in multiple countries through an online services platform. As part of the management team, this is a non-unionized position.

**Duties and Responsibilities:**

- Plan and implement all project activities to support internationally trained professionals to meet their employment objectives
- Work closely with internal and external stakeholders to manage and oversee the online services platform, curriculum development and delivery, programs and other services offered
- Establish and build partnerships with international referral partners for the Canadian Employment Connections Program
- Responsible for compiling and analyzing program data; preparing all reports required by ACCES and by funders, pertaining to Program and outcomes
- Work closely with Project Managers, program teams and other ACCES staff to coordinate and support the placement of clients in various sectors across Canada
- Review and audit Project files to ensure proper documentation; and work in collaboration with our QA Department to ensure the compilation of program results/reports.
- Report program activities and make recommendations to senior management regarding strategies and activities that improve program administration efficiency and effectiveness; support implementation of recommended strategies and ensure program targets are met and exceeded
- Responsible for managing all program staffing activities including recruitment, supervision, performance management, staff engagement and training, etc.
- Work closely with ACCES finance, administration and Human Resources departments to manage program budgets and oversee employment and third party contracts

**Qualifications and Experience:**

An organized self-starter with experience and/or education in the following areas:

- A university/college degree and minimum of 3 years of related experience, including supervision and project development/management.
- Experience with working in an online service delivery environment, learning management systems and other online tools is considered a strong asset
- Project Management (PMP) designation, or in progress, is considered an asset
- Understanding of labour market challenges and barriers, particularly as they relate to internationally trained professionals
- Excellent problem solving skills, creativity and ability to both lead teams and work in a team
- Excellent interpersonal and self-management skills to work effectively with clients, co-workers, outside agencies and employers representing ACCES
- Excellent verbal and written communication skills.
- Experienced and highly proficient working in an MS Office environment
- Previous experience in the not-for-profit sector and working in a diverse environment is an asset
- Ability to travel between ACCES locations and/or partner and employer organizations, or as needed.
- Flexibility to work occasional evenings and weekends
