

Are you looking to build a successful career?

ACCES Employment can help!

ACCES Employment Making Connections

ACCES Employment offers a range of programs and services to assist you with finding employment and achieving your career goals. We provide resources and information, job search workshops, individual employment counselling and connections to employers.

Programs and Services:

- Resumé development, interview practice and coaching on how to market yourself to employers
- Direct connections with employers through placements and events
- Mentorship opportunities that provide industry and occupation-specific information, as well as advice and help to develop your network in Canada
- Training on workplace communication skills
- Resource Centres at each site to help you get started in your job search
- Industry job search strategies and services to help you find employment in your field
- Guidance on professional licensing and certification, credential assessments, job trends and Canadian labour market information

Fenny Chen immigrated to Canada from China with over 11 years of experience as a financial analyst. She came to ACCES Employment because she was struggling with her job search. She knew that she was qualified for the jobs she was applying for, but was not receiving any calls for interviews. ACCES Employment guided her through the job search process in Canada, helping her with everything from resumé development and language training, connecting her with potential employers and preparing her for interviews. She is now successfully employed.
