

Connector Program

Build your professional network in Canada

ACCES Employment's Connector Program is highly effective in connecting newcomers to Canada with professionals in their communities. This program will help you to build your professional network, connect with career opportunities and find success in your chosen field.

Connectees are supported with:

- Networking and developing professional connections
- Information sharing on your industry and occupation
- Understanding Canadian workplace culture

Program eligibility:

- At least one year of post-secondary education outside of Canada
- Strong English language skills (min. CLB6)
- Legally entitled to work in Canada
- Motivated and committed to building your professional network to find employment

Connector Program

HOW THE PROGRAM WORKS

The Connector Program is a simple but effective referral process that puts you in touch with professionals in your industry to help you build your network, join the Canadian workforce and settle successfully in your community.

Match made based on industry and experience

Face-to-face meetings with connectors who share their knowledge of your sector

Referral to at least three contacts in your industry
