Why should you choose ACCES Employment?

ACCES Employment programs and services are highly specialized, offering sector-specific training designed to help new Canadians find work in their field. Each program is offered in close consultation with leading employers and academic partners and is designed to enhance (and not duplicate) your existing education.

Our first priority is to help you find full-time, permanent employment that reflects your experience. Over 80 per cent of our participants find employment in their field.

Program Fees:

- The fee for this program is \$500 + HST. This fee offsets the training or academic portion of the program and may be eligible for full reimbursement through the Ontario Bridging Participant Assistance Program.
- All other costs related to the program and employment services are generously funded by the Government of Ontario and the Government of Canada. The fee represents a small proportion (approximately 10 per cent) of the overall cost of the program.

Financial Services Connections
