

Healthcare Connections

Alternative Career Options for Internationally Educated Healthcare Professionals

Are you an internationally educated healthcare professional looking for alternative career options in Canada?

If you have selected not to pursue licensure in your respective healthcare profession, or are looking for ways to stay connected to the healthcare industry while pursuing accreditation, Healthcare Connections can help you find new career opportunities.

This program is designed for Internationally Educated Healthcare Professionals who have healthcare expertise that can be transferred to one of two alternative careers:

- Sales of Pharmaceuticals or Medical Supplies
- Clinical Administration

Program Benefits

You will:

- Acquire the information necessary to transfer your healthcare skillset to one of two featured career options
- Develop Canadian workplace communications skills that pertain to the healthcare profession in Canada
- Develop a BioTalent Canada portfolio that will assist career planning by identifying your transferrable skills
- Receive BioReady™ recognition and gain access to BioSkills Match, a national database of BioReady talent
- Receive one-to-one employment support featuring job search strategies and employment placement
- Connect with mentors who are established professionals in your selected career path
- Connect with employers who are recruiting and hiring from ACCES Employment's programs
- Ensure success by accessing post-hire support

Why Should You Choose ACCES Employment?

ACCES Employment programs and services are highly specialized, offering sector-specific training designed to help new Canadians find work in their field. Each program is offered in close consultation with leading employers and academic partners and is designed to enhance (and not duplicate) your existing education. Our first priority is to help you find full-time, permanent employment that reflects your experience.

Program Eligibility

Applicants must be:

- Internationally educated healthcare professionals with a minimum of one year of related work experience, obtained outside of Canada
- Educated at a post-secondary level (outside of Canada) in a regulated healthcare profession
- Fluent in English
- Permanent Residents or Convention Refugees of Canada
