

Are you looking to build a successful career?

ACCES Employment can help!

Job Search Workshops

The Job Search Workshops (JSW) program assists you with learning the skills, strategies, business perspectives, and next steps for your job search.

Program Components:

- Employment needs assessment
- One-on-one job search coaching
- Pre-employment workshops conducted in a computerized environment
- Specialists who understand the job search needs of people new to Canada
- Personalized action plans
- A supportive environment to learn about job search strategies and Canadian business perspectives

For newcomers like Apurva Kumar, coming to Canada and restarting a career can be daunting. She overcame the challenges with help from ACCES Employment and the Job Search Workshops (JSW) program. Apurva found great value in the mock-interviews and all the practice and feedback that she received. She realized how important this experience was when she was in real interviews. She is now successfully employed and looking forward to her future in Canada.
