

Construction Trades

Do you want to work in Construction Trades?

This free program will provide you with language training and skills to help you get a job in the construction trades. Previous work experience in construction is not required. This program is currently for newcomers to Canada.

Program Components

- Language training for construction
- Canadian workplace culture
- Certification in WHMIS and First Aid
- Opportunity to enroll in training on Forklift, Elevated Work Platform (EWP), and Health & Safety
- Information on in-demand construction jobs
- Information about how to pursue an apprenticeship
- Help finding and keeping a construction job

Program Completion

At the end of this program you will receive support to enroll in additional training, register as an apprentice, or find a job in the construction trades. You will also receive advice and support to help you settle in your new job. Resources will be provided for additional services you might need as a newcomer.

We specialize in helping you find employment.

ACCES Employment offers a range of programs and services to assist you in finding employment and achieving your career goals. We provide resources and information, job search workshops, individual employment counselling and connections to employers.

All of our services and programs are customized to meet the employment and training needs of each individual. We work closely with employers to ensure that our services and programs are relevant to today's job market and that they reflect current industry trends.

ACCES Employment has a strong history of delivering results for job seekers and employers in the Greater Toronto Area.

Construction Trades

“A great experience, it opens the door for a sustainable career that helps us and our families make a good living in Canada.”

Taisir Abou Mounzer,
Construction Trades Program Graduate
