

Connecting to Careers in Advanced Manufacturing

Are you a mid-career worker looking to enter or advance within the Advanced Manufacturing sector? ACCES Employment, in partnership with Humber Polytechnic and Riipen, presents “Connecting to Careers in Advanced Manufacturing”. This new program is funded by Upskill Canada (powered by Palette Skills). This 15-week program is designed to equip you with the skills and knowledge needed to thrive in this dynamic industry.

Canada is home to a strong, established manufacturing base that is leading the evolution of advanced manufacturing with \$185 Billion GDP and with growth rates above 15%.

Program Benefits

Gain technical expertise through online courses and earn multiple micro-credentials

Engage in collaborative projects for a practical understanding of the manufacturing sector

Develop your personal brand, networking, interviewing, and social media skills to excel in your job search

Hone your workplace communication skills in pre-scheduled online workshops

Cultivate creative problem solving and design thinking abilities to tackle industry challenges

Receive personalized support in one-to-one online sessions tailored to your needs

Access opportunities and professional networks with leading organizations in the field

Program Eligibility

- ✓ Eligible to work in Canada
- ✓ Mid-career workers
- ✓ OSSD or equivalent with Grade 12 Math
- ✓ Minimum three years of paid or volunteer work experience
- ✓ Proficiency in Microsoft Office and web applications
- ✓ Strong verbal and written communication skills (equivalent to CLB 7)
- ✓ Keen interest in launching a career in the manufacturing sector
- ✓ Self-motivated with strong goal-setting, critical thinking, and problem-solving skills
