

Information Technology Connections

Information Technology (IT) Connections helps internationally trained IT professionals pursue their careers in Canada. Participants learn Canadian IT-sector standards, terminology, and tips on how to enhance their job search. IT Connections was designed in close collaboration with key stakeholders including employers, professional associations and an academic institution.

Professional Development Units

Earn 40 PDUs towards PMP exam

“The IT Connections program provided a platform for understanding the employment system in Canada. ACCES inspired confidence and they created trust.”
