

Trades Connections

Trades Connections is a sector specific training and essential skills program designed to support jobseekers interested in a career in the trades. The program will increase your knowledge about apprenticeships and employment opportunities in the construction and manufacturing industries.

Program Benefits Delivered By a Team of Employment Experts in Your Field

- Customized one-to-one support to help you start your job search
- Experiential and hands-on learning

- Certification in WHMIS, Forklift, Working at Heights and Health & Safety
- Workshop selection tailored to client need and industry demand
- Soft Skills Solutions training delivered by Georgian College
- Information about apprenticeship pathways, and requirements for entering the construction and manufacturing sectors
- Future skills training including creative problem solving, workplace communication, and growth mindset

- Direct links to apprenticeship training and employment opportunities
- Connections to mentors and industry professionals in your field
- Coaching and support after you're hired

“ACCES Employment has been extremely helpful in preparing me for the construction field and I am very grateful for their help in getting connected with LIUNA.”
