

Trades Connections

Construction Trades Project

The Construction Trades Project is a sector-specific training and essential skills program designed to support jobseekers interested in a career in the trades. The program will increase your knowledge about apprenticeships and employment opportunities available through trades and related occupations in the construction industry in Ontario.

Program Benefits Delivered By a Team of Employment Experts in Your Field

- Customized one-to-one support
- Experiential and hands-on learning
- Industry-recognized certification in WHMIS, Forklift, Working at Heights, Propane, Elevated Work Platforms and Health & Safety
- Essential skills for construction trades delivered through online workshops and training modules. Training selection tailored to client need and industry demand
- Soft Skills Solutions training and certification
- Information about apprenticeship pathways, and requirements for entering the construction sectors
- Future skills training including creative problem solving, workplace communication, and growth mindset

- Direct links to apprenticeship training and employment opportunities
- Connections to mentors and industry professionals in your field
- Coaching and support after you're hired

“From the beginning, I could see the value of the program and I knew I was in the right place! I really appreciate how ACCES supported me and helped me find a career path I’m excited about.”

—

PEYMAN POURYAFAR
