

Engineering Connections

Engineering Connections is designed to help internationally trained engineering professionals find work in Canada. The program provides information on Engineering and Health & Safety Codes and Standards, the Canadian project management environment and professional licensing in Ontario.

THREE IN-PERSON PROGRAM STREAMS:

Workplace Essentials for Engineers - ELT (WEE)
Labour Market Access - Job Search (LMA)
Project Management (PM)

ONLINE PROGRAM STREAM: Electrical Engineering

"The sessions were creative and innovative and greatly helped me to achieve my desired objectives. Even after the program was over, I received personalized support for job offer negotiation, which was highly appreciated."
