

Entrepreneurship Connections® Pre-Arrival

Entrepreneurship Connections® Pre-Arrival (ECP) is a free program that helps you understand how to use your experience and education to start your own business in Canada. This program will provide you with multiple ways to explore entrepreneurship in Canada, including making connections with business experts and other entrepreneurs. This program will prepare you to launch the business from your country of residence even before you arrive in Canada.

“I am very thankful for the support I received from the Entrepreneurship Connections® Pre-Arrival Program. The knowledge and framework of a business plan that was provided was very helpful for me in setting up my own business.”
