

Trades Connections

The Trades Connections program offers sector-specific and essential skills training designed to support jobseekers interested in a career in the trades. The program will increase your knowledge about apprenticeships and employment opportunities in the construction and manufacturing industries. This program is delivered virtually with a focus on York Region residents, newcomers and youth.

“ From the beginning, I could see the value of the program and I knew I was in the right place! I really appreciate how ACCES supported me and helped me find a career path I’m excited about. ”
