

HR Connections: Strategies for the Canadian Workplace

Human Resources (HR) Connections: Strategies for the Canadian Workplace helps internationally trained human resources professionals to find work in Canada. It builds on your previous human resources expertise by providing an orientation to your sector in Canada. The program is in partnership with HRP A and Sheridan College.

“ The program enriched me with valuable information, resources and connections needed to thrive in the Canadian labour market. I was able to secure a job consistent with my experience and background immediately after the program. ”
