

# IT Connections: Digital Economy Connections

Information Technology (IT) Connections: Digital Economy Connections helps internationally trained IT professionals pursue their careers in Canada. Participants learn Canadian IT-sector standards, terminology, and tips on how to enhance their job search. IT Connections is funded by the Government of Ontario, delivered in partnership with Ryerson University and sponsored by Accenture.

“ The IT Connections program provided a platform for understanding the employment system in Canada. ACCES inspired confidence and they created trust. ”
