

START Customer Care Program

The START program is free 9-week online program designed to support women with pursuing careers in the customer care sector in Canada. This program provides participants with industry-recognized certifications, computer training, job search support and coaching. Supported by Toronto Employment and Social Services, this program is highly effective in motivating participants and preparing them for achieving success with their employment goals.

“ The START Program helped me gain confidence and the training gave me the skills I needed to start afresh in a new environment. ”
