

Ready to Launch a Career in Construction?

Our free 16-week pre-apprenticeship program—including an 8-week paid work placement—is designed to set you up for success in the skilled trades while helping address Ontario's construction skills shortage. Gain hands-on experience and build essential skills in carpentry, masonry, and sheet metal. Whether you're just starting out or looking for a fresh career path, the Connecting to Careers in Construction: Pre-Apprenticeship Training program is your opportunity to kickstart a rewarding future in construction.

Program Overview

Learn about careers and apprenticeship pathways in the construction trades

Earn health and safety certifications: Working at Heights, Forklift, Elevated Work Platform, WHIMIS, Propane Handling

Learn technical foundations: Construction and building systems, basic construction skills with hands-on training in the following areas: Carpentry, sheet metalwork, brick and stone masonry

Enhance soft-skills with employability training in the construction industry

Receive customized one-to-one support

Hybrid program delivery model

Financial assistance provided to participants during the training period

Paid placement for 8 weeks

There is no cost for this program

Program Eligibility

Aged 18+

Proof of education

Legally eligible to work in Canada
