

Constructing a Future Workforce

Join our free 13-week program for people affected by layoffs, reduced hours, or industry change.

Develop the hands-on skills, industry knowledge, and confidence to move into construction jobs and long-term careers in carpentry, masonry, and modular construction.

Program Benefits

 Free 13-week training program: 3 weeks of technical skills training, 3 weeks of sector-transition training, and 7 weeks of personalized job search support

 Direct connections to employers and career opportunities

 Industry-recognized certifications, including Working at Heights, Forklift Operation, Elevated Work Platform and WHMIS

 Financial supports may be available for eligible participants

Program Eligibility

- 18 years of age or older
- Legally eligible to work in Canada
- Able to travel within the GTA
- Available for the full 13-week program
- Interested in starting a career in construction
